The *Journal* is published three times a year, in Spring, Fall and Winter.

---

The *Journal* is devoted to the study of the economic history of Europe and of European countries, and its impact both on other areas and from other areas of the world economy, including: monetary, banking and financial history; the history of agriculture, industry and services; business history; the history of transport and trade; the history of innovations and technology; the history of national and international economic institutions; social groups, *élites* and ruling classes that have influenced change; the history of ideas in their connections with economic history; economic historiography and theory.
